

**Living Initiatives For End-of-Life Care**  
*Helping all Kansans live with dignity, comfort and peace at the end of life*

**Together, we are making a difference.**

**Engaging,  
Learning From  
and Supporting  
Kansans**

*“I appreciate the LIFE Project taking the time to further not only my cause, but also the cause of all chronic pain patients in Kansas. It is wonderful to know that there are some people out there who care.”* - A chronic pain patient in Kansas

*“The LIFE Project offers support, encouragement, tools and resources that are needed in our community. This remarkable coalition provides critical leadership.”* - LIFE Project Caring Community leader

**Supporting  
Professional  
Education**

*“The LIFE Project training provided an excellent background in how to deal with people who are dying. I have just never had this kind of training before. Thank you.”* - A Kansas healthcare professional

*“Because of our work with the LIFE Project, our agency has been able to manage pain more efficiently for all of the patients we see.”*  
- A Kansas healthcare professional

**Improving  
Public  
Policy**

*“The LIFE Project, throughout its existence, has shown that it can bring a diverse group together to focus everyone’s efforts on end-of-life issues.”* - A Kansas public policy leader

*“The LIFE Project has created a synergy of energy that allows complex and difficult issues to be addressed.”*  
- A Kansas public policy leader
